Knives/Weapons (of any kind)
Expensive Clothing
Inappropriate Music
Sexually-suggestive Clothing Items
Money or Valuables

Label Everything

All clothing, equipment & materials must have your child's name marked clearly. We recommend a permanent/laundry marker, but other labels are okay.

What to Pack In

Almost anything will suffice-as long as it can get the stuff to camp (and be saved to be used for the return trip.) Trunks, bags, etc. will not be available while at camp, however under-the-bed storage boxes may be used for additional storage. 7H x 39W x 20D

Don't Send Expensive Stuff

We're not responsible for personal effects damaged or lost. Please consider this before sending clothing or supplies with your child.

Don't Over-pack

We provide space for the storage of your child's supplies, but sending too much stuff will create difficulties. Please try to stay close to this list.

Don't Spend a Lot of Money

A summer at camp is costly enough without buying tons of supplies. If you need some advice, just call us. Remember that serviceable items are key-we're a very informal and "outdoorsy" camp!
